## Envision 2008 Be a Part of the ProductVision Community

Advanced Software Designs invites you to Envision 2008, our ProductVision Users Conference, where you will have the chance to:

- ◆ *Explore* the benefits of the latest version of ProductVision – ProductVision 5.0
- ◆ *Benefit* from other ProductVision users’ ideas and experiences while sharing your own success stories
- ◆ *Participate* in industry-focused roundtables addressing today’s hottest topics and most challenging issues
- ◆ *Learn* from informative and thought-provoking presentations by ASD’s team of knowledgeable professionals
- ◆ *Gain* useful tips and techniques for getting the most from ProductVision
- ◆ *Expand* your knowledge of ASD’s product and service offerings
- ◆ *Exchange* valuable real-world information and examples with other users
- ◆ *Contribute* to the future of ProductVision by offering your input and suggestions
- ◆ *Network* with other users and industry professionals
- ◆ *Enjoy* yourself!

Envision 2008 will be held at the new Drury Plaza Hotel in Chesterfield, MO. This is a luxury hotel with a budget price. There are a limited number of rooms available at the special reduced rate of \$117 – **ACT EARLY** – this rate will expire on April 1<sup>st</sup>.

**Based upon your comments from the last conference, we have added new in-depth sessions.** This includes new feature-specific training sessions which are tailored to the experience level of the attendee. ASD is offering all this for a conference fee of \$899 per person.

If you have an interesting story to tell that you think would benefit other ProductVision users, we encourage you to share it with us at the conference. Remember this is **YOUR** users’ group and sharing experiences is what makes it work.

Sincerely,

Mary Zinkl  
Conference Coordinator
