

ENVISION 2010

ProductVision Users Conference

October 4–5, 2010

Individual commitment to a group effort – that is what makes a team work,
a company work, a society work, a civilization work. ~Vince Lombardi

Advanced Software Designs invites you to **ENVISION 2010**, our ProductVision Users Conference, where you will have the chance to:

- ❖ **Explore** the benefits and improvements of the latest version of ProductVision 5.0
- ❖ **Benefit** from other ProductVision users' ideas and experiences while sharing your own success stories
- ❖ **Participate** in industry-focused roundtables addressing today's hottest topics and most challenging issues
- ❖ **Learn** from informative and thought-provoking presentations by ASD's team of knowledgeable professionals
- ❖ **Attend** feature-specific training sessions tailored to your experience level
- ❖ **Gain** useful tips and techniques for getting the most from ProductVision
- ❖ **Expand** your knowledge of ASD's product and service offerings
- ❖ **Exchange** valuable real-world information and examples with other users
- ❖ **Contribute** to the future of ProductVision by offering your input and suggestions
- ❖ **Network** with other users and industry professionals
- ❖ **Enjoy** yourself!

We are in the process of putting together the conference agenda and would like to encourage you to give a presentation or serve as a mediator at one of the round table sessions. Take full advantage of this unique opportunity of sharing your ProductVision experiences with colleagues from around the world.

Envision 2010 is being held once again at the **Drury Plaza Hotel** in Chesterfield, MO. We have blocked out a limited number of rooms at a reduced rate of US\$105/night – **ACT EARLY** – this special rate expires on September 3rd.

Mark your calendars now for this exciting event being held on **October 4-5, 2010!** Registration information will follow shortly. ASD is offering all this for a conference fee of US\$899 per person.

Remember this is **YOUR** Users' Conference and sharing your experiences is what makes it work.

Sincerely,

Mary Zinkl
